Saturday, April 13, 2019
7:15 am – 3:30 pm

Troy Beaumont Hospital
Troy Mocerri Learning Center
Qazi Auditorium
44201 Dequindre Road
Troy, MI 48085

PURPOSE

This program is designed to promote healthy communities through “Advocacy in Nursing Leadership and Excellence in Clinical Practice.”

At the end of this learning session, participants will be able to apply the knowledge gained from the experts, thus enhancing their skills for advocacy in nursing leadership. Knowledge learned will also enhance their skills in clinical practice and promote positive attitude in wellness promotion, illness prevention and promotion of care.

OBJECTIVES

1. Describe the leadership concepts and advocacy strategies within an organizational context.
2. Discuss the impact of Artificial Intelligence in healthcare.
3. Identify common legal issues confronting immigrant nurses
4. Explain evidence-based best practices to reduce Central Line Associated Blood Stream Infections (CLABSI).
5. Differentiate approaches in pain management: Pain Medicine and Non-pharmacologic options
6. Recognize the effects of human trafficking to health care situation of community.
